Energy to Learn provides teachers, parents, and kindergarten through 5th grade students with free, easy-to-download educational activities focused on natural gas safety, electric safety, and energy efficiency. Through fun exercises like coloring, word search, and object matching, students learn how to be smarter and safer with their energy use. The materials—including a customizable certificate of completion can be downloaded at [SafetyCentral.BGE.COM](http://SafetyCentral.BGE.COM).
